

106th Annual

INVITATIONAL TOURNAMENT JULY 18-20, 2019

March, 2019

Dear Member:

The Class A Golf Committee is pleased to announce that our Annual Twa Days Invitational Tournament will be held on July 18, 19, and 20. Twa Days has long been Glen View Club's signature Member-Guest tournament, and this year being the 106th edition of the event. Our traditional format will continue: a five-match round robin event within each flight, followed by a four-hole medal play competition among the flight winners, and the "wild card" teams to determine the overall tournament champion.

This year the Golf Committee has made some changes to the social functions surrounding Twa Days in an effort to increase the amount of attendees and overall satisfaction of the event. This year the Spouse Dinner Reception will take place on Thursday night following the afternoon practice round to kick off the event. Friday's schedule of events will remain largely unchanged from previous years, with the exception of substituting the Chipping Contest "under the lights" with a long drive competition to be held prior to the Cross Country Event. Following play on Saturday's final round, we will continue to have the 4-hole medal play playoff to determine our overall champion. Once the playoff is completed, we will have an awards ceremony including cocktails and hors d'oeuvres for everyone in attendance. The price of the event this year will remain \$1,000, and we hope the changes in the schedule of events will add to the overall enjoyment of Twa Days.

Class A Regular, Senior, Special Junior, and Non-Resident Members, who wish to participate, must complete the enclosed entry form and return it to the Pro Shop no later than June 10. We are anticipating another full field of 78 teams for the event. Applications will be accepted on a first-come basis, and once the field is full, a wait list will be established. The complete schedule of events for Twa Days is located on the back of the enclosed "save the date" card. Any team canceling after June 15 will be charged 50% of the entry fee if the spot is not filled. A team canceling after July 1 will be charged the entire entry fee if the spot is not filled.

The Twa Days Invitational will be the highlight of the season at Glen View Club and we hope that you are able to participate. It will provide a wonderful opportunity to show your guest our fabulous Club, while sharing in competition and camaraderie with friends. We look forward to your participation.

Aaron Taylor
Chairman, Twa Days
