

Dear Member,

With the golf season finally here, it's time to get your junior golfer signed up for the summer at Glen View Club. We have a variety of programs this summer that will allow your junior to learn and grow in their knowledge and skill with the game of golf. Each program targets a defined age group and with all programs, the professional staff will have the flexibility to move juniors who might not meet the age requirement, but show the necessary ability to be moved up. Please take a look at the programs we are offering this summer below, along with how to register.

Glen View Club's Inaugural Drive, Chip & Putt – Sunday, July 28th 3:00 – 4:30 pm

The 2019 Drive, Chip & Putt Championship hosted by Augusta National will be held this upcoming Sunday, April 7th and will be televised live on the Golf Channel from 8:00am – 1:00pm. This youth golf development program allows boys and girls ages 7-15 to compete against their peers in three different categories; Driving, Chipping & Putting. To coincide with this national initiative Glen View Club will be hosting our very own Drive, Chip & Putt Championship open to any boy or girl ages 7-15 years of age who is currently enrolled in one of our junior golf programs. This inaugural event will be held on Sunday, July 28th from 3:00 to 4:30 pm. We hope this new opportunity will be a great new addition to our 2019 Junior Golf season and will continue GVC's junior golf mission; helping your juniors have fun learning the lifelong game of golf and encouraging family interaction that builds lasting memories. Cost to enter the GVC Drive, Chip & Putt will be \$25 and will include prizes and awards.

North Shore Junior League Stroke Play Series (Ages 13-15)

Juniors age 13-15 and those juniors approved by the professional staff will be able to participate in a 9-hole individual stroke play competition that will also have a team format similar to high school golf. Each club may send up to 6 juniors to play in an event and the low 4 scores will count towards the team total. Individuals will receive player of the year points based on their finish in each event and the top 20 juniors on the points list will qualify for the final event held at Sunset Ridge to determine our champion for 2019. This is a great way to get experience for high school golf and play some of the other area clubs in a competitive format. The cost of this program is \$125 and will include a team uniform, golf balls, along with prizes and awards at each event. The complete Stroke Play Series event schedule is listed below:
