## "Vegas Scramble"

The Lady Niners invite all Sawgrass women to join in a fun nine hole game the Last Friday of each month. This month's format is "Vegas Scramble".

This fun game of strategy starts with all players hitting the tee shot. After the drive, one player rolls the dice to determine who's drive the team uses. Players are assigned numbers of the dice plus two wild card numbers. The team plays a scramble in from the determined drive. All players tee off again on the next hole and the process begins again. Roll well!
