This year we will be offering a wide range of activities for our juniors. In addition to our summer camps, we will be having multiday clinics. Sign your child up today to begin learning the game of a lifetime.

Whether at work, at home or at play, there are basic values that define ethical behavior.

Trump National Golf Club Junior Golf Program stresses the Six Pillars of character; trustworthiness, respect, responsibility, fairness, caring and citizenship. As Golf Professionals, we strive to educate juniors with the game itself, making a special effort to teach sportsmanship, etiquette and an emphasis on the Rules of Golf.

ABOUT THE SUMMER CAMPS

Trump National Golf Club was built with the full intention of creating a family atmosphere. It is our belief that learning is best accomplished in an environment that is focused and structured, while still maintaining a fun and relaxed atmosphere. The Junior Golf Program is designed to give young golfers of all ages the opportunity to improve their skills. If your child would like to participate in any of our junior golf activities listed in this brochure, please fill out the entry form and turn it in to the Golf Professional Shop to reserve a spot. We look forward to working with the stars of the future.
