## **4. AGM**

The WP Golf AGM will take place on 13 July 2020 at 18h00.

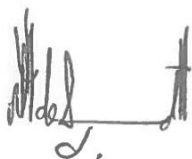

It will be conducted as a virtual AGM most probably via the MS Teams Platform to allow all clubs to attend accordingly.

## **5. CLOSING REMARKS**

We thank all clubs for adhering to the protocols set out by GolfRSA during this tough and challenging time, and urge them to continue to do so until further notice has been given. As many clubs struggle to generate sustainable income during this time, we urge you to ask your member base to support your clubs as best they can. We are all in this together and are glad to be back, albeit on a rather small scale.

Yours in golf,
