WOODLANDS
International College

Golf has continued to rise in stature at Woodlands since the School's establishment in 2002.

After winning the "C" league in 2013/14 and being promoted to the "B" league, the Woodlands A-team went on to win the "B" league in 2015/16 and reach the top division, the "A" league – the Premier League of Central Gauteng Private School Golf.

After entering the Ekurhuleni High Schools Golf League for the first time in 2017, our Woodlands A-team went on to win the League and represent Ekurhuleni at the SA Schools Championship, which was held at Rustenburg Golf Club. Grant Ferreira and Liam Van Deventer went on to make the Ekurhuleni Golf Team, with their individual results at this tournament.

The Ekurhuleni Golf Team competed in the SA High Schools Inter Provincial Tournament, which was held at Rustenburg Golf Club. The Team finished in 3rd place and Liam Van Deventer went on to make the SA Schools Golf Team, with an individual 6th place finish.

THE WOODLANDS JUNIOR MASTERS GOLF CHAMPIONSHIP - 13TH to 15TH of MAY 2018

This prestigious tournament, founded by Mr Clint Gaffney (Deputy Principal), is the biggest school's golf championship in South Africa and has been held at Serengeti Golf Club annually since 2012. This year we are excited to have a new home at Ebotse Links, the only inland Links course in South Africa.

Twenty five of South Africa's best golfing schools compete for two titles, the Masters Team Championship and the Junior Masters Individual Championship.

For more details about this tournament, it's history and more sponsorship opportunities please visit
