- Please email Thinus your entry, thinus@oubaaigolf.co.za or enter at the Oubaai Proshop
- All entries close on 30 June
- First round must be completed by the end of July
- Each round will have a time period of one month to be completed
- If you can't make these deadlines, please do not enter
- If the two teams can't find a suitable date in the due month, the convener will then determine a Wednesday or Saturday for the match to be played. If one team can't play, the other team will go through to the next round. If neither team can make that date, the convener will toss a coin to determine the winner of the round
