AMARI HUA HIN HOTEL

## Thursday 1st November, 2018

We will assemble at the impressive King Shaka International airport in anticipation of our 19:10 Emirates flight to Dubai. Before checking in Kyle will give the “opening speech” detailing the exciting trip ahead.

## Friday 2nd November, 2018

Our layover (3 hours) in Dubai gives you just enough time to stock up on Duty free items before boarding our flight to Bangkok, Thailand. We land at the impressive Suvarnabhumi Airport at roughly 17:55 local time. After passing through immigration we will be collected by air-conditioned vans and transported to our hotel in Hua Hin.

Our amazing hotel for the week is the 4\* Amari Hua Hin. Golfers will enjoy the modern comfort at the Amari Hua Hin. Situated on the Gulf of Thailand, the Hua Hin resort offers top-notch accommodation in a relaxed garden setting. Constructed in 2011 and opened in 2012 the Amari Hua Hin features accommodation ranging from deluxe rooms to expansive suites.

The rooms are stylishly furnished and offer golfers spacious living areas with modern amenities. Local markets and beaches are just steps away from the resort, which makes it a good choice for anyone on a Hua Hin Golf tour. Amari Hua Hin provides a great blend of convenience, cost, and comfort.

After checking into the hotel, those wanting to get some rest may do so while others can dive straight into the Thailand nightlife by taking a walk on the streets and seeing what Hua Hin has to offer.

### Saturday 3rd November, 2018

*Our first full day in Thailand beckons, we allow everyone to lie in a bit before departing for our first round of golf on the trip at Springfield Royal Country Club. The traditional Jack Nicklaus designed golf course located off the Hua Hin bypass road is one of the best in area.*

*The course at Springfield has been designed to meet the high demands of a recognized championship golf course, and yet it remains an enjoyable challenge for golfers of all standards. Each hole has a minimum of five tees to play from, water hazards regularly come into play, and each hole presents its challenge and character requiring finesse or unrestraint. Accuracy is required at all times as the rough comprises of a series of hillocks and holes lined by a forest of mature trees.*

*The format of the day will be 4 Ball Alliance (2 scores to count) gently easing golfers into the competition.*

*After golf, take your time walking the streets of Hua Hin, visit the Cicada Night market, grab a bite to eat and take in the Thai nightlife.*

HUA HIN NIGHT LIFE

EAT LIKE A LOCAL FOOD TOUR

### Sunday, 4th November, 2018

*After breakfast we will meet in the hotel lobby and depart on our very exciting Eat Like a Local Food Tour. On this 3½ hour tour, your guide will take you off the beaten track. You will try some amazing tasting Thai food in humble surrounds. You will be eating with locals, which just backs up the age-old adage that 'locals always know where to find the best food in town'. The tour comprises of around 15 food tastings stopping at 5 restaurants & 1 street food vendor. Slurp and eat noodles within a traditional 2 storey Thai house near the railway line. Sample Thai sweets that will challenge and delight your senses. Sample the subtle flavours of Northern Thai cuisine. After the tour, perhaps spend some time on the beach soaking up the sun, come on you deserve it! There are loads of markets keeping you entertained or chill out having a cocktail at the hotel swimming pool, the choice is yours.*

## Tuesday 6th November, 2018

Its time to explore Hua Hin and surrounds, after breakfast we depart on our Huay Mongkol Temple & Hua Hin Floating Market Tour. Drive to visit Huay Mongkol Temple located west of Hua Hin. Wat Huay Mongkol was home to the monk who was famed for his “miracles” and it houses the largest statue of Luang Pu Thuat in Thailand. His Reverend Luang Poh Tuad is one of the kingdom’s famous and highly revered Buddhist monks. Many people recognize and remember Luang Poh Tuad for the miraculous act of having turned seawater into fresh water in one incident and, therefore, it was believed that he had supernatural powers. Two massive black wooden elephants stand either side of the steps, decoratively carved and festooned in a variety of tulle ribbons and bows. Local people circle the elephants, walking under the bellies of the carved beasts, nine times for good luck. As they walk they pray, or ask for favours, merit, happiness, or just to be lucky in their lives.

Continue to visit the Hua Hin Sam Phan Nam Floating Market located on a 100-rai plot. The market offers tourists a number of food and shopping areas with a traditional Siamese theme recalling the days of King Rama V and King Rama VI. There is a train service that will run inside the project as well as a reproduction of the well-known Hua Him Railway Station.

After the half day tour it's time to relax, why not spoil yourself with a cocktail at the hotel before heading out and having dinner at one of the many famous restaurants in town.

Its round 2 of the golfing action and today we have a special treat for you, the infamous Banyan Golf Club. Built among a former pineapple plantation, Banyan Golf Club opened in October 2008. Immediately following, the course was awarded 2009 Best New Course in Asia-Pacific by the readers of Asian Golf Monthly. Since then Banyan Golf Club course, clubhouse, and staff have consistently claimed ‘Top 3 in Asia’ awards and have been featured in the ‘Rolex Top 1000’ in the World. Thailand golf course architect Pirapon Namatra from Golf East designed the world class 18-hole championship golf course and is known to be one of the most natural in the country.

Today's format of Betterball Stableford will keep golfers on their toes on golf's traditional “moving day”.

After golf you have time to do whatever the heart desires. Kyle will offer some tips on what to see and where to go. The , Khao Takiab and the Venezia are just some of the many things to do and see.

BLACK MOUNTAIN GOLF COURSE

BLACK MOUNTAIN GOLF COURSE

BLACK MOUNTAIN GOLF COURSE

### Wednesday 7th November, 2018

*Its final round time, our last day of scheduled golf on the trip. Today we play Individual Stableford with the overall prize on the line. We certainly have saved the "best for last" as we head onto Black Mountain Golf Club. Set in a valley surrounded by large black granite rock covered mountains, the Hua Hin golf course was the site for Asian PGA tour events in 2009 and 2010 and the Europe versus Asia match play Royal Trophy in 2011. In 2012 and each year since Black Mountain was selected as one of the 100 best golf courses outside the USA by Golf Digest magazine. In 2014 Black Mountain hosted The Thailand Classic, the first European Tour event to be staged in Thailand. The Thailand Classic also held s design elements on many of the holes. Its no surprise this golf course has been awarded "Best golf course in Thailand" for 7 years in a row.*

*An informal prizegiving will take place after golf, Kyle will talk about the golfing highlights from the trip as well as hand out prizes (to those deserving).*

### Thursday 8th November, 2018

*Unfortunately, all good things must come to an end, today is the final full day and you have it completely at leisure. All the time in the world to shop, buy gifts for loved ones back home or perhaps you want to sneak in an extra round of golf (extra cost)? Kyle will be more than willing to help arrange your day.*

*Spend your last evening at leisure before meeting in the hotel lobby for the late transfer back to Bangkok airport (+- 9pm).*
