**Ratio:** A maximum 6:1 student to teacher ratio will be maintained. **PING Golf Clubs are available**

**Includes:** Twelve hours of golf instruction covering all facets of the game including: Rules and etiquette, full swing, short game, putting, athleticism, and much more. Awards, prizes, and certificates will be presented to juniors for daily contests. On course activities will be a part of each session.

**Philosophy:** Love for the game starts with junior golf. Our junior programs are designed to provide a safe and exciting format for boys and girls to learn the fundamentals of golf. We will also teach the rules and etiquette to these young golfers so they will appreciate and understand the importance of values such as the spirit of competition, honesty, integrity, perseverance, and patience. Proper golf etiquette and knowing the rules of golf will enhance the enjoyment of this wonderful game for these juniors and establish a foundation for their golf development. The clinics, lessons, games, and activities will all be a part of the golf-learning program at River Ridge. The teaching philosophy revolves around FUN. Learning the game by teaching the fundamentals in a relaxed environment while having a great time will be our commitment.
