- **FORWARD TEES.** Any golfer is entitled to play off the Forward Tee in a social round and enter the score for handicap purposes using the Standard Rating of the Forward Tee. For competition rounds, members may play off the front tees, but they are to adjust their handicaps down by the difference in the Standard Rating of the forward tee and the Standard Rating of the tee being used in the competition. Players are to advise the starter of their intention to play off the forward tee prior to playing their first hole and they are to record the rating of the tee that they played off in the appropriate block on the top of the score-card marked "ADJ RATING".
- ***In the event of a tie, the following procedures will be used to determine the winner:***
 - **CLUB CHAMPIONSHIPS**
 - GROSS SCORE- The winner will be determined by Sudden Death play-off which will take place on holes 1, 17 & 18 until an outright winner can be determined. If no winner can be determined due to weather, then the play-off will be postponed to the first Saturday following the Club Championships
 - NETT SCORE- The winner will be the player with the lowest handicap. If the players have the same handicap, the back 9 score determines the winner. If back 9 scores are the equal, the count-out is then determined by the player with the lowest gross score on individual holes beginning with stroke 1.
 - **COMPETITION GOLF**
 - In the case of a tie, the player/teams total back 9 (holes 10-18) score will determine the winner. If the scores remain tied, then the player/teams total last 6 (holes 13-18) wins the count-out. If the scores remain tied, then the player/teams total last 3 (holes 16-18) wins the count out. If the scores remain tied, then the player/teams total on the 18th hole wins the count out. In the un-likely event that this does not determine a winner, then the winner will be determined by the spin of a coin.

Match play Competitions

- Lowest handicap must play off scratch with the opponent/s adjusting accordingly.
- All match play competitions are to start on either the 1st tee or the 10th tee.
- In case of a tie after 18 holes, a match should continue from where you started until a winner is determined.
- If a match cannot be completed due to failing light, or the course is deemed un-fit for play by the club management due to weather or any other unusual condition, the match should be replayed as soon as possible before the stipulated deadline.
- Players on the top of the draw are responsible for arranging the game.
- Three dates to be offered to the opposition, before due date of completion of the round.
- If no result is achieved, the players responsible for the 'no result' shall forfeit the game and their opposition may claim a walk-over.
- Any disputes to be taken up with the General Manager of the Club. His/her decision in such disputes will be final.
- Members are requested to arrange games and book tee times timeously as no extensions will be granted!

Better-Ball Competitions

- If you only have three players in a better-ball competition, one player may pivot with the other two players and common practice is that the lowest handicap in the three ball will pivot. The pivots score must be recorded on both cards. The Pivot must also ensure he/she has paid an additional competition fee prior to teeing off.

Alliance Competitions

- If you only have three players in an Alliance competition, you may nominate one player from another 4-Ball to pivot. 15. SPONSORSHIPS

Sponsorship of a club member's competition:

This is a perfect opportunity for a marketing exercise as the club provides the sponsor with a field of players who are mostly Members of the club, and therefore living/working in the area.

The main responsibility of a competition sponsor is to provide the club with a prize table of a minimum total rand value of R3500. The club in return provides the sponsor with a field of players to market to, the opportunity to place advertising in the clubhouse and on the golf course, as well as provide the sponsor with a complimentary four ball on the day (normally in the afternoon field).

The sponsorship of a ladies competition is similar to the above; ladies competitions are held on a Tuesday afternoon.

Hosting of a corporate or charity golf day:

This is a higher risk option than the sponsorship of a Members competition as the responsibility of providing a field of players is the sponsors. The club normally allocates an entire afternoon field (Thursdays or Sundays) to the sponsor, and charges for all tee times booked out. The sponsor is able to raise funds by adding onto the green fee charged by the club; and keeping the difference. Advertising opportunities exist on the golf course, as well as the selling of raffle tickets and the sponsor keeps all monies raised in this manner.

Sponsoring of a Friday afternoon 9 hole Sundowners' or PAR3 competition:

The club hosts a weekly Sundowners' or PAR3 competition for club members on a Friday afternoon during the year. Sundowners' competitions are usually held during summer (October to March). Sponsors may either provide their own prizes to a minimum rand value of R500, or the club will invoice the sponsor for this amount and purchase the prizes.

16. CADDIES

- Should you require a caddy, please purchase a 'Caddy Foundation Voucher' from the check in counter.
- Please hand this Voucher to the Caddy Master who will allocate you a caddy.
- Caddy Fees as per the minimum fee are to be paid directly to the Caddy after the round.
- The caddy must be paid for half-way house after 9 holes as per the minimum fee.
- Any comments regarding your caddy can be noted on the comments card available from the check-in counter.

- NOTE – Please note that only registered caddies from The George Golf Club may be used and should you wish to utilise your own caddy, permission MUST be obtained from the General Manager prior to arrival at the golf Club.
- NOTE – Please be advised that whilst every effort is made to ensure a high standard of Caddy, the caddies are not employed by George Golf Club and the appointment of a caddy by the golfer is strictly between the Golfer and the Caddy. The George Golf Club and management will not mediate between the two parties in the event of any altercation such as, but not limited to, arguments, theft, bad conduct and assault.

WE TRUST YOU FIND THIS PUBLICATION USEFUL AND ASSIST YOU IN BEING A VALUABLE MEMBER AT THE BEST MEMBERS GOLF CLUB IN SOUTH AFRICA.
