Balderstone Sports Institute (BSI) Football Academy and Sporting Clube Farense, Portugal, are excited to announce the first international soccer camp hosted at the exclusive BSI Football Campus in Modderfontein, Johannesburg. The international partnership between the BSI Football Academy and SC Farense will offer aspiring players a unique training and scouting opportunity with Portuguese coaches.

"The soccer camp with the technical team from SC Farense offers our youngsters an authentic and unique European football experience that will have a definite impact on their football development."

- Zeca Marques, Technical Director –

Along with an experience of a lifetime with European coaches, each player will receive a training kit, goodie bag, and daily meal.

The BSI Football Academy is bringing football back to the Modderfontein community. The 3-day, non-residential camp is a positive step towards building unity in the Modderfontein Sports Complex community.

The fee for the camp is R3,000 per person. To sign up, players must send an email to football@bsisports.com. Limited places are available.
