Bethesda Country Club Members,

As the golf course begins to thaw and the weather transitions into Spring, I would like to welcome all of you to another fantastic golfing season. With the help of Adam Miller and our grounds team, we are on track for fantastic course conditions once spring is in full swing. The team and I are looking forward to the 2019 season and hope that you are too.

Our Ice Breaker is just around the corner on March 23rd, if you haven't signed up yet make sure you don't miss out on the fun. Following the Ice Breaker we will be hosting our 2nd Annual Master's Par Three Contest. Let's embrace the Master's buzz and hopefully have a few more hole-in-ones this year! We will round out the month of April with our Opening Day Tournament, which is a great two person team event. Speaking of two person team events, I want to make sure everyone is ready for The Member's Tournament this year. Please note that this tournament has been moved to May and we hope to have record attendance! The Club Championship has also been moved to September and keep in mind that this tournament is for all skill levels. It is a great way to meet new people and hopefully you can win a match or two along the way. I would love to see more camaraderie and signups for the Club Championship so please spread the word to your friends. If you like match play than you will love the Tuesday Night League! The league consists of 6 weeks of two person team match play. Finally, we added a Couples Member Guest this year in September. Make sure to invite your favorite couple to Bethesda for a fun afternoon of golf!

We are also excited to announce that on specified Mondays the golf course will be open at 12:00 p.m. with carts available. Please be aware that the golf shop and driving range will remain closed on Mondays, but the course, putting green and short game area will be open with a limited staff.

The dates for this change are: Mondays April 22nd- July 15th & September 3rd- October 14th.

All other Mondays will have our normal schedule of walking only after 2 p.m.

2019 Professional Staff

- Pat Bedingfield is starting his 21st season with Bethesda Country Club and will continue with his role as Director of Instruction.
- Chris Costantino is starting his 6th season and will be charged with the tournament management, instruction, playing with members and ladies golf.
- Nathan Johnson is starting his 5th season and will be charged with retail operations, junior golf and playing with members.
- Patrick Lewis is joining us from Woodmore Country Club. Patrick will be charged with bag room, starting and golf shop operations.

We said goodbye to Matt Smith in November and he is doing great in his new position at New Haven Country Club in Connecticut. Matt did a great job with golf shop operations and we will miss his friendly demeanor and 325 yard drives. If you are in his area he would love to see his old friends from BCC.

We look forward to seeing everyone soon!

Best Regards,

Ted

The Traditions of Bethesda Country Club

1. Fix your ball mark plus one other
2. Replace your divot or fill with sand and seed
3. Rake your bunkers
4. Golf carts must never be driven within 15 yards of the greens
5. Carts must stay on the path on all par 3 holes
6. If you choose to play music, your group should be the only ones that can hear the music
7. Play ready golf
8. All groups must play in 4 hours or less
9. Do not discard cigarette or cigar butts on the course
10. All players must register with the starter
11. Play from the correct set of tees

“My method in golf was simple and rapid. I walked up to the ball and socked it. And on the green, I did not squat and line up my putts; I walked up to the ball and knocked it at the hole.”

Robert T. (Bobby) Jones, Jr.

TOURNAMENT POLICIES

LOCAL RULES AND INFORMATIONAL CARDS

All Bethesda tournaments are governed by the rules of golf (USGA) and its decisions, and where applicable, by the local rules and information cards handed out during tournament play. It is the responsibility of the player to become familiar with the local rules and informational sheets provided. These rules shall be strictly enforced by the tournament committee.

PACE OF PLAY

The Bethesda Country Club has a long standing tradition of fast pace of play. All rounds at Bethesda shall be played in four hours or less. Pace of play policy:

7 a.m. – 8 a.m. – 3 hours and 40 minutes

8 a.m. – 9 a.m. – 3 hours and 50 minutes

After 9 a.m. – 4 hours

CADDIES

Caddies will be required for all players who walk during tournament rounds. Members who have 3 guests in a tournament will also be required to have a caddie.

DISCONTINUANCE OF PLAY

When the Club's lightning detection system sounds, you must discontinue play and seek shelter. Shelter is located at the halfway house, maintenance facility and clubhouse area. Play will resume as determined by the Committee. Penalty for breach of this condition will be disqualification.

TEEING GROUND

Almost every club sanctioned event requires men to play from the gold tees markers and women to play from the white tee markers. Exception: Those players who are 60-69 with a 21 handicap or more and players 70 years of age and older may play from the blue tee markers. Players electing to use this option must reduce their gold tee handicap by one stroke per nine.
