

# BUSINESS LEAGUE 2025

## **Welcome to The Pinnacle Business League 2025!**

Dear Member,

Following the tremendous success of last year's Business League, we are excited to invite you to participate in the 2025 Business League at Pinnacle Point Golf Club.

First and foremost, we would like to extend our heartfelt congratulations to George Country Resort, the well-deserved winners of the 2025 season. Their outstanding performance was truly commendable.

Building on last year's achievements, we are pleased to announce that the new point system implemented in the previous season has proven to be highly effective. As such, we will continue using the same system for the 2025 season. Additionally, we will once again strive to alternate the tournament formats to ensure an engaging and diverse competition. Our planned format schedule includes:

- **4-Ball Alliance – approximately 4 events**
- **Better Ball Split Format – approximately 3 events**
- **Individual Point Stableford (IPS) with a Mystery Alliance – approximately 3 events**

This brings us to a total of 10 planned events, and we sincerely hope you will commit to participating in all of them.

The primary objective of the Business League is to offer players the opportunity to compete while also providing a valuable platform for businesses to market their services and interact with other clients. Whether entering as an individual or as part of a business team, this event offers a unique networking and promotional opportunity. Each team that enters as a business can advertise at no cost on a hole with preplanned approval.

In light of the current economic climate, we are pleased to inform you that the registration fee for 2025 will remain unchanged to support our teams and encourage greater participation. The fees are as follows:

**Registration Fee: R3800**

**Member Guest Fee (for non-regular Business League players): R605pp**

We kindly ask for your support in promoting this event, and we look forward to welcoming you to the 2025 Business League. Your participation will undoubtedly contribute to another successful and enjoyable season.

Should you have any questions or require further details, please do not hesitate to contact us.
